MAJOR PROJECT EVALUATION RUBRICS (BCS753)

(Session: 2026-27)

This is to notify you that the **Project Evaluation Committee (PEC)** has finalized the Project Evaluation Rubrics for the assessment of **Final Year B.Tech. Student Projects**.

The project evaluation will be conducted through one pre-project presentation (in which students will meet their guide) and **two review presentations during the semester** to monitor students' progress and ensure continuous assessment.

Rubrics for Review–01: Project Proposal & Planning

Evaluation Criteria	Marks
Objective & Problem Identification	10
Literature Review	10
Novelty / Innovation	10
Proposed Methodology / Design	10
Tools & Technologies Used	10
Sustainability / Relevance to Society	10
Presentation & Response to Queries	10
Total	**70**

Rubrics for Review–02: Implementation & Progress

Evaluation Criteria	Marks
Project Progress	20

Lloyd Institute of Engineering & Technology

(Affiliated to Dr. A.P.J. Abdul Kalam Technical University)

Department Computer Science & Engineering

Implementation / Working Demonstration	20
Teamwork & Individual Contribution	20
Presentation & Response to Queries	20
Total	**80**

For easy and consistent evaluation, each 10/20-mark criterion is divided into 5 performance levels. Performance levels will be assessed as follows: Excellent – 100%, Very Good – 80%, Good – 60%, Fair – 40%, and Needs Improvement – 20% Marks.

These evaluation criteria have been designed to ensure a fair, transparent, and comprehensive assessment of students' project work, covering project planning, research, implementation, progress, teamwork, and presentation skills.
